Dear Friends of Our Lady,

The end of June marks not only the end of the month of the Sacred Heart but also the date projected to reevaluate the need for the Living Rosary Crusade begun in March.

Meanwhile, the Supreme Court rules in favor of abortion, Satanists congregate in public, rioters destroy every vestige of our heritage, and public officials threaten another economic shutdown. Is it time to abandon our Rosary Crusade?

In light of the magnitude of this diabolical tyranny and anarchy, many have expressed the need and desire to continue this crusade through, at least, the end of this year.

If you are interested in renewing your commitment to say one decade of the rosary every day through the end of this year 1) in reparation for sin and 2) for the intercession of Our Lady, please email [olphsodalityicc@gmail.com](mailto:olphsodalityicc@gmail.com) with "Living Rosary" as the subject.

We are at war, a war against Satan and his legions. He is relentless. Never before in our lives have we faced such a magnitude of evil. Where do we turn? It must be to Our Lady, "our life, our sweetness, and our hope."

Please let us know if you wish to continue in this endeavor. We will then keep your name and assigned decade on our list.

*Our Lady of Perpetual Help Sodality*
